Background

Kathy and her husband Joe have lived in Lockport for 15 years, along with their dogs, Zeus and Calisto.

Kathy has been a volunteer in Mainstreet Lockport, participating in the Clean Sweep, the Bike and Dine, and Lobsterfest events, and helping with social media marketing and website updates. In addition, Kathy and Joe have been big supporters of Lockport's growth and development, as active members of the community including the Summer Art Series and Canal Days.

Educational History & Other

Kathy has a Computer Science degree from Loyola University of Chicago. She starting her career as an application developer, writing software for companies including Peoples Gas, Argonne National Laboratory, RR Donnelley. Now, Kathy is an IT Consultant, specializing in IT project management and leadership, collaborating with businesses to help improve operational efficiencies, streamline communication, and increasing visibility of project status for executive levels of leadership.

Kathy's husband Joe owns Amazing Fantasy Books and Comics, which has been a member of the Lockport business community since 1996.

Kathy and Joe met in High School at Marian Catholic in Chicago Heights. They formed the band, Cat's Eye, and have been performing in the Chicago area since 1997. Kathy is a vocalist and Joe is a bass player. In addition to Cat's Eye, Kathy and Joe teach at the School of Rock in Mokena. Together they are training the next generation of rock stars, which they also bring to Lockport to perform in local Lockport events like Nickapalooza.
